

Please read PAVE's COVID-19 related guidelines that will be strictly enforced:

Our PAVE team has been working hard to develop a safety/health protocol to ensure that we are protecting the health of our PAVE dancers and staff. During the time that we have been off, we have been deep cleaning, (i.e., removing germs from surfaces and equipment, deep cleaning carpets, etc.), sanitizing, and disinfecting the studio. We also fogged the entire studio and according to the fogging company, "it has been cleaned to a level that exceeds hospital waiting room standards. The facility has been disinfected with a process that far exceeds CDC standards." The results of the sample test they performed in some high-touch point areas are attached for your reference and we will continue to periodically fog the studio. In addition, it is important that we adhere to the day to day protocol below.

In-studio classes - New Rules for Check-In at PAVE.

- **LOBBY CHECK IN at PAVE'S PRIVATE ENTRANCE:** Dancers must enter through PAVE's private entry at the building's front doors (adjacent to the library) to limit traffic with Nationals & TKD customers. Nationals and TKD will be using other designated entrances. There will be a check-in table at the lobby at the bottom of the stairs.
- For all dancers, parents, and staff, a PAVE staff member at check-in will provide you sanitizer, require you to wipe down your shoes, check your temperature and ensure that you will be 6' apart and spaced out until you reach your studio.
- Please only have one parent/guardian per dancer for pick up & drop off and dancers will wait on marked X's 6-feet apart before each class. If a parent is walking the dancer in or needs to go up to the front desk, the parent/guardian must be wearing a mask the entire time at the studio (and also will have temperatures taken and sanitize before going upstairs).
- Coaches will meet you at each studio and assign you to your designated marked spots that are 6 feet apart and if dancers go across the floor, there will be floor markings for designated wait spots.
- To limit the amount of people in the hallways, the studio will be **DROP IN/ DROP OFF only** but parents are welcome to log in to any class virtually through ZOOM to observe the classes.
- All coaches are required to wear masks.
- Dancers have the option to wear masks since they are exerting physical energy.

Healthy Dancers Only!

- Absolutely no sick dancers will be allowed at the studio. We will be taking temperatures and if it is above 100.4 F degrees or higher, the dancer or parent may not go upstairs to the studio.
- If there are any **symptoms** of runny nose, coughing, fever, lethargy – please do not bring your dancer to the studio. You will be notified immediately if your dancer is expressing any of these symptoms at the studio.
- You may only take virtual classes (NO IN-STUDIO Classes) if any of these apply (refer to Liability Release Waiver) if any of the following apply:

✓ I **understand the above symptoms** and affirm that I, as well as all household members, do not currently have, nor have experienced the symptoms listed above within the last 7 days before attending any studio related event.

✓ I affirm that I, as well as all household members, have **not been diagnosed with COVID-19** WITHIN THE PAST 14 DAYS before attending any studio event and will notify the studio in writing if I am diagnosed with COVID-19.

- ✓ I affirm that I, as well as all household members, **have not knowingly been exposed to anyone diagnosed with COVID-19** WITHIN THE PAST 14 DAYS.
- ✓ I affirm that I, as well as all household members, have **not traveled outside of the state**, or to any city considered to be a "hot spot" for COVID-19 infections WITHIN THE PAST 7 DAYS.
- ✓ I affirm that I, as well as all household members, have been safe and generally adhering to social distancing guidelines (and using my best judgment re: **attending gatherings or parties**).

Safety Precautions:

- No touching or hugging other dancers!! We know this will be hard!
- Drinking fountain will temporarily be closed. Students need to bring their own water bottles that are CLEARLY labeled.
- Sharing of food will not be allowed.
- Dancers may not borrow clothes, shoes, or equipment from other dancers.
- Dancers need to bring personal equipment from home such as mats, towels, weights and bands if they are using them for class – **and put all belongings in a zipped bag or ziploc bag CLEARLY LABELED.**
 - For pilates/stretch/jazz classes, please bring your own CLEAN towel to sit on for warm up & any floor exercises.
 - For hip hop/heels, you will be asked to wipe down your footwear with disinfectant wipes or you can take class in socks.
 - Dancers/staff will not be allowed to walk around the studio barefoot. Bring socks or dance footwear.
 - There will be NO lost and found at this time. Anything left will be thrown away if it is not claimed during sanitation/clean up.
 - Be sure to have your mask & a sanitizer with your belongings.
 - They must take all of their personal belongings home with them everyday.
 - Sanitize and clean all items that you plan to bring back to the studio.
- All studio equipment will be locked away for the time being (i.e., bosu balls, weights, bands, mats)

Cleaning Protocol:

- We will continue with nightly studio sanitizing and cleaning by our cleaners.
- Surfaces and objects will be disinfected/sanitized multiple times a day by teachers and front desk staff

Modified (Hybrid) Online Zoom/ In-person Schedule for Student Spacing:

- Our HYBRID ISOL8 Virtual Training and in-studio model will continue through August 14.
- We will be limiting the number of students that attend in-studio classes
- Classes will be cut to 50 minutes (starting 5 min. after the hour and ending 5 min before the hour) to allow for passing safely and time for the rooms to be sanitized and hands to be sanitized/washed.

Employee protocol:

- Staff will follow illness policy including daily temperature checks
- Staff will wash hands and/or sanitize prior to/at conclusion of and between classes
- Staff will have limited direct physical contact with dancers (i.e., verbal cues only)
- Staff will be diligently trained on procedures and prepared to enforce social distancing protocols
- Staff will adhere to PPE protocols set by CA Dept of Health. Currently masks are required so they will be wearing them at all times.
